

CIA Briefs Senators

Washington, Jan. 9 (AP)—CIA Director Richard Helms gave a top secret briefing on world trouble spots—presumably Vietnam and Red China—today to an expanded Senate panel charged with monitoring U.S. intelligence activities. The usual group was enlarged to include Sens. J. W. Fulbright (D-Ark.), Bourke B. Hickenlooper (R-Iowa), Mike Mansfield (D-Mont.), and Everett M. Dirksen (R-Ill.).
